

Hi Families!

I'm excited to launch Family Playlists™, a simple (and fun!) way for you to stay involved in our classroom learning and support student achievement.

How it works:

- 1 You'll be set up with a secure PowerMyLearning Connect account in your home language.
- 2 I'll send short, easy-to-follow activities for you and your child to do together at home. (Your child will lead the learning!)
- 3 You'll send me some quick feedback on how it went. Your honest feedback helps me be the best teacher I can be for your child.

Please complete the form below so that I can create your account on PowerMyLearning. You will get a text message and/or email once your account has been created.
