

MossPaper Benefits

Quote and Contract Management System provides a closed-loop workflow solely dedicated to new revenue sales for new customers and renewal sales for existing customers

A Stronger Foundation To Help You Grow Your Business

Managing the Daily Follow Ups

MossPaper's Status Summary makes it easy for you to get to the information, export the information, and use the information to better manage your business activities.

Centralizing Communication

Track comments and feedback from your customers on the quote or contract. All information is automatically organized and linked so the information is centralized.

Organizing Important Documents

Know where your signed Quotes and Contracts are at all times without looking at paper piles, printed receipts, and manila folders. Information is easily accessible whenever and wherever.

Insightful Reports

MossPaper gives you insight into your customer buying cycle, customer segments buying patterns, and customer service so you can continue to build your business the way you want to.

Protecting Your Business

MossPaper logs your history so you know who has viewed, approved, and signed for the business documents. We log in name, email and IP address to ensure your transactions for legally binding.

Managing Your Teams

MossPaper gives you complete visibility to your team and what each person is doing. Allow user permissions based on roles to protect your business and its information.
