

Dear Phillip Fry,

Thank you for choosing CampusLogic University to achieve your educational goals. The information provided in your "My Financial Aid Plan" is an estimate to help you make important financial decisions about your education. The costs and awards listed cover 12 months (two 6-month terms) and assume you are enrolled full-time and living off campus.

WHAT WILL ATTENDING CLU COST?

Direct Costs (costs that are payable to the school)

Tuition & Fees \$15,000

Indirect Costs (estimates for expenses you may incur for living and other education related expenses)

Housing & Meals* \$1,500

Books and Supplies** \$500

Other Educational Costs \$500

Total Cost of Attendance \$17,500

*Because CLU is an online university that has no campus housing, Housing & Meals is an allowance for expenses that a student may experience under varying living situations. Most CLU students cover living expenses through other sources of income.

**Almost all textbooks are included in Tuition & Fees as electronic learning materials. CLU students typically have only modest expenses for Books & Supplies.

WHAT FINANCIAL AID AM I ELIGIBLE FOR?

Grants & Other Aid (money that typically does not need to be paid back)

Federal Pell Grant \$2,500

State Grant \$1,000

Institutional Aid \$500

Scholarships \$500

Total Grants & Scholarships \$4,500

WHAT SHOULD I BORROW?

We encourage you to borrow as little as possible. You can borrow up to your maximum loan eligibility through Federal Student Loans listed above. However, we recommend that you limit your borrowing to no more than your unmet direct costs (tuition & fees).

Unmet Direct Costs (Direct Costs less Total Grants & Scholarships) \$13,000

Recommended Loan Amounts (up to unmet direct costs)

Federal Direct Subsidized Loan \$5,500

Federal Direct Unsubsidized Loan \$6,500

WHAT ARE MY NEXT STEPS TO RECEIVE FINANCIAL AID?

Log in to your Student Portal to continue the financial aid process and accept or change the recommended loan amount. Please note, additional requirements or documentation may be necessary.
