USA CUSTOM PRINTING CHECKLIST

Place your cup order at acmecupsusa.com

- Begin the process with the 4-6 week lead time in mind
- Add the items you plan to print to your cart (keep in mind cups are sold in 6-packs)
- Proceed to checkout
- Enter printer's shipping address:

Superior Imprints (your business name)
4226 6th Ave S
Seattle, WA 98108
206-441-7147

- Enter payment details and complete order
- If ordering saucers or other un-printed items**, please place a separate order for these with your ordinary shipping address – the printer does not have storage space for extra products

Email customerservice@superiorimprints.com with the following info:

- The **Custom Printing Order Form** (the last 2 pages of this document) completely filled out
- Attach your artwork as a **vector file** (other file types will not work)
- Any other specific printing-related concerns (proofs, file questions, print specs, etc.)

Once your cups arrive at their facility, the printer will email you with a free first proof based on the info provided in the order form. Any additional proofs requested will be billed accordingly. The printing process takes about 2-4 weeks after final proofs have been approved.

When your cups have completed the printing process, Superior will email you with a final invoice including relevant printing costs + shipping from their facility to your door. Cups will be shipped to you once this final invoice has been paid!
