Standard number of delivery attempts **3***

*If the 1st delivery attempt is unsuccessful, the 2nd and 3rd delivery attempts will be automatically made on the following days. In case a delivery attempt is not successful, the parcel will be redirected to the local UPS depot. The recipient can re-arrange delivery contacting the carrier via the official website or by phone. In the case of exhaustion of possible delivery attempts and if UPS doesn't receive any further instructions, usually after 6 calendar days, the parcel will be returned to sender.

General delivery window **Monday – Friday 08.00-18.00**

Communication **E-mail**
