

Igor® PoE Lighting Hardware Limited Warranty

For a period of five (5) years from the date of manufacture, Igor warrants each new node to be free from manufacturing defects. Igor will, at its option, repair or provide a comparable replacement for any defective node that, in the opinion of Igor, has been installed and operated pursuant to Igor product specifications, including operating below the maximum-rated ambient temperature (70°C)*, operating below the maximum-rated case temperature (85°C)* and the applicable provisions of the National Electrical Code and of the Safety Standards of Underwriters Laboratories so long as Igor is promptly notified of the defect within the 5-year warranty period; and, if requested by Igor, the node is returned to Igor. Igor PoE lighting nodes are designed and manufactured to engineering standards correlating to a rated life expectancy in excess of 50,000 hours of operation.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES AND ALL IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE.

This warranty does not cover the following: the cost of installation, removal or reinstallation; damage resulting from misuse, abuse, or improper or incorrect repair; damage from improper wiring or installation; or incidental or consequential damages. Igor liability on any claim for damages arising out of or relating to the manufacture, sale, installation, delivery, or use of the node is limited to the purchase price of the node.

No Igor agent, employee or representative has any authority to bind Igor to any affirmation, representation, or warranty concerning the node. Unless an affirmation, representation, or warranty made by an agent, employee or representative is specifically included herein, or in standard printed materials provided by Igor, it does not form a part of the basis of any bargain between Igor and customer and will not in any way be enforceable by customer.

In no event will Igor or any other seller be liable or responsible for any (i) consequential or special damages, (ii) repair work undertaken without Igor prior consent, (iii) ancillary equipment not furnished by Igor which is attached to or used in connection with the node, all such equipment being expressly excluded from this warranty, or (iv) damage to the node resulting from the use of ancillary equipment not furnished by Igor for use with the node.

Contact your sales representative with questions concerning the installation or operation of a covered Igor node or this Warranty, or to make a warranty claim.

** The node records maximum operating temperature and cumulative operating hours. Igor may extract and use this data to verify that the device was operated within the terms and conditions of this warranty.*
