

ShipStation has Partnered with Groupon to help Merchants transition to Groupon Marketplace

ShipStation understands that Groupon merchants are currently facing unique challenges as they transition to Groupon's Marketplace.

Groupon merchant needs

Retaining access to affordable shipping rates similar to those previously offered by Groupon.

Contact your UPS rep to set up UPS SurePost. Once confirmed, you can easily enable [SurePost](#) in ShipStation.

Meeting shipping guarantees and avoiding post-billing surcharges at a time when most carriers are experiencing delays and additional fees.

ShipStation users have access to [discounted rates](#) with UPS & USPS and avoid certain carrier surcharges. These rates are available to all ShipStation users—no need for existing accounts with these carriers.

Groupon Merchants new to ShipStation get an exclusive 60-day trial. Sign up at info.shipstation.com/groupon
