<input type="checkbox"/> Enclosed Cash/Check
<input type="checkbox"/> Debiting my account

I/We understand that an order made for a stock certificate, otherwise known as an "Upliftment" request, would entail the pullout of a "street" named stock position to be converted and issued "In Name" of the account holder. The stock certificates shall be available for pick-up at the offices of COL Financial Group, Inc. at least thirty (30) days from the date of receipt of this request.

I/We further understand that an upliftment request will allow COL Financial Group, Inc. to earmark "out" a stock position from my/our online portfolio to ensure that such a position is not sold or reduced while waiting for the new certificate.

Thank you.
