Thank you for purchasing the Optima Ring Toss Game!

Set Includes:

- 2 base pieces
- 5 pins (4 white tipped, 1 red tipped)
- 4 rope rings

Assembly Instructions:

1. Set up the game base. Place red base piece over blue base piece to form a cross.
2. Place four white tipped pins in outside holes near the scoring numbers 5, 10, 15, 20.
3. Place red tipped pin in center hole between the 2 and 5.

Ring Toss Game Play:

Object: To toss the rings from a predetermined distance, with the goal of landing them over the pins for the highest score possible.

1. Set the starting line. It may vary depending on age or skill level of participants.
2. One player begins from the starting line and tosses each of the five rope rings toward base.
3. Each ring that lands over a pin scores points. If rope ring hits a pin and bounces away, zero points are scored for that ring.
4. A ring landing over the middle pin scores 25 points!
5. Add points for each player after the 4 rings are tossed. When every player has thrown, the player with the most points wins.
6. To continue to play, add total after a set number of rounds, or, take turns until a player reaches 100 or 500.
7. HAVE FUN!
