Thank you for your purchase of the Conquer Racing Simulator Stand.

1. Unbox unit.
2. Use screws to attach shifter mount to mount bracket arm, then insert shifter mount arms into frame and tighten with plastic star head knobs. Shifter arm may be installed on either left or right side of main frame.
3. Use plastic star head knobs to attach steering wheel arms to main frame.
4. Attach steering wheel holder to arms with screws.
5. Use the two metal brackets/screws on pedal plate to anchor pedals, if necessary.
6. Adjust feet on main frame to even unit to floor, if necessary.

We appreciate your feedback! We hope this exceeded your expectations. If you enjoyed our product, feel free to leave us a positive product review. If you need help or have questions, please email us at customer@conquerequipment.com and we will do everything in our power to be sure you are happy!
