

Register

- Create an Account. We'll get your digits and all of the usual details.
- We'll send you an email to verify that it's really you.

### Search Hop Listings

Search a database of prices & details without having to call, email, or negotiate.

### Setup a Hop Alert

Immediate (free) notification whenever varieties you need get listed? Boom... we did that.

Find Hops

Checkout

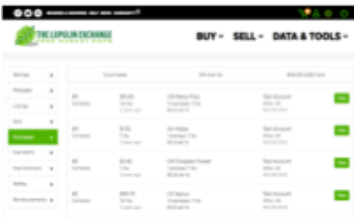

- Pay for your hops via bank account or credit card at checkout.
- No surprises: The list price you see already includes a 5% fee to cover order & payment processing.
- If the seller fails to fulfill your order within 14 days, the order will be cancelled and you'll receive a full refund.

Pay for Shipping

- The buyer always pays for shipping.
- There are 4 different payment scenarios – please see *How Shipping Works* for details.

Order Confirmation

- All of the order details are available from My Account.
- The seller will provide you with tracking information.

Get Hops!

- Be sure to inspect your hops for damage before signing for them.
- To file a damage claim with the shipping company, you'll need to alert the driver & note damage on the Bill of Lading.
- Don't forget to rate your experience with each seller.
