

Register

- Create an account. We'll get your digits and all of the usual details.
- We'll send you an email to verify that it's really you.

Connect to WePay

- Before creating your first listing, you'll need to open a WePay merchant account.
- It's free, takes < 1 minute, and allows you to collect payments securely.
- Just click "SELL" and we'll walk you through the process.
- Login to your WePay account anytime to link a checking account, set up automatic deposits, etc.

Post Hops For Sale

**SELL** ▾

- Click SELL HOPS at the top of any page on The Lupulin Exchange to create a new listing.
- If you have a large quantity to sell, we can automatically split it up into smaller sales.
- You pick your price, min quantity, etc.

Sale Notification

- Get back to your real job. We'll email you instructions as soon as the buyer's funds have cleared.
- Our process protects your inbox/voicemail from getting overrun by potential buyers.

Shipping

- The buyer always pays for shipping. See How Shipping Works to learn how.
- If the hops are located at your brewery, we'll send you shipping instructions.
- If your contracted hops are stored at a dealer, they'll bill you normally, but drop ship to the buyer.

Get Paid

- Funds are held in escrow until you fulfill the order.
- Funds become available for withdrawal 7 days after you've shipped the hops & entered valid tracking.
