Introduction

The Tenant Passport is a free to use tenant referencing service managed and delivered by West Lindsey District Council's Home Choices Team.

The aim of the scheme is to improve tenancy sustainment in the social and private rented sector by providing landlords with information regarding a person's tenancy history. This will assist landlords in determining whether they feel they want that particular applicant for their property and will enable the Council to identify where support can be offered to the landlord or the potential tenant to help them to obtain and then to maintain a property.

Landlords are often reluctant to let their properties to people who they know little about. They fear their property could be damaged, used for illegal purposes or that the rent may not be paid. This can make it difficult and time consuming to find a good property for a tenant and a good tenant for a landlord.

Different landlords have different levels of experience, resources, and ability in tenancy management. For example; whether or not they are locally based; the number and experience of the staff they employ; the number of properties they manage; the financial resources available to them to maintain the property and manage the tenancy. This means that some landlords will be able to successfully maintain and manage tenancies that other landlords cannot. The scheme will enable landlords to consider this as part of the decisions that they make and provide an opportunity to seek support from the Council and other relevant agencies.

Reasons for the scheme

Membership of The Tenant Passport Scheme allows someone to show that they are a suitable tenant quickly and easily. The scheme allows landlords to obtain reliable, accurate and comprehensive information regarding the tenancy history of someone who has approached them for housing. This information is provided to the landlord with a person's written permission. Landlords use the information provided by the scheme to make a risk assessment of whether it would be appropriate for them to take someone as their tenant. The liability for the decision remains with the landlord, the scheme provides them with additional information in order to assist them in their decision making.

Objectives

The scheme is designed to encourage the following:

- Increase reporting of incidents of anti-social behaviour and poor tenancy management (landlord and tenant)
- To enable tenants to learn from previous behaviours and receive assistance and support to address this.
- To encourage ALL landlords to seek references from their prospective tenants.
- Give landlords relevant information about the people wanting to rent their properties.

Lincolnshire Police are working in partnership with the Council in regards to this means of referencing for prospective tenants. It is intended that this is not to be a tool to prohibit prospective tenants but rather one that informs prospective landlords and the Council of what needs to be put in place to prevent the tenancy from failing. It is only then we can assess the needs from our customers.

How the scheme will work

Tenants can self-refer to the Home Choices team or be referred by the landlord. The Home Choices team will contact the tenant to ensure this is correct and checks will only be undertaken with the permission of the applicant. This will be done by an application which will be stored in a specific file on the housing file. Explicit consent will be obtained for the police disclosure. Forms are attached in Appendix 1.

The team will make the following checks

- Former tenancy history over the last 2 years
- Criminal convictions which are relevant to tenancy history. This would cover all offences where a possession order could have been granted if the tenant were a tenant of a registered provider (housing association). Offences are those listed in section 30 of the Anti social Behaviour, Crime and Policing Act 2014 (Appendix 2).
- Other anti-social behaviour

We will work with Lincolnshire Police to obtain information but all information will be held on current Council systems. Information will be obtained with the customer's full consent..

Data Protection

Information will be deleted in line with the council's data protection rules

Specific information re a person's membership can only be discussed in detail if that agency has an information sharing agreement with Lincolnshire Police. For those wanting housing with private landlords the landlord cannot be given any indication as to why the colour has been given (details are below). Merely to state that colour has been given in line with the guidance.

If an agency or landlord asks the reasons for the level given to the customer they will be referred back to the criteria. If they wish to discover specific information they will need to put in requests to public protection, housing benefit and Lincolnshire Police.

All requests are to be made in line with the information sharing agreement between Lincolnshire Police and WLDC

Terms of the scheme

Membership is granted for a maximum of 12 months and is on a 3 tier basis.

Policy Review

It is proposed to review the policy internally within 6 months of its implementation to ensure that it is operating effectively.

Appendix 3

Advice for persons with rejected membership

- Previous tenancy issues - If you have had problems with a tenancy in the past, you can still apply to join. The scheme will assess your application and may, depending on the circumstances, decide to grant you provisional membership of the scheme. Applicants who are refused membership of the scheme will be offered an interview to discuss their refusal with their application's investigating officer.
- Applicants who have been rejected for rent arrears can reapply when arrears are repaid in full or a rent repayment plan has been agreed and adhered to with their landlord. West Lindsey would expect arrears to be below 8 weeks of rent and then 13 reasonable weekly payments to be made. This is in line with the current policy for the Lincs Homefinder housing register policy. For assistance in negotiating a rent repayment plan applicants can contact the Home Choices Team.
- Applicants who have been rejected for anti-social / criminal behaviour and / or problems involving tenancy management have a right to re-apply to join the scheme provided they can show an improvement in their behaviour over a consistent period of at least 6 months (or accept support offered by Floating Support provider or Vulnerable Adults Panel - see below)
- Applicants who attend their interview will be offered a referral to a Floating Support provider or Vulnerable Adults Panel. The Floating Support provider or Vulnerable Adults Panel will review the situation to see if there is any available and appropriate support that can be provided to assist in changing/improving the behaviour which led to rejection from the scheme.
- Where an applicant accepts support offered for a minimum period of 3 months and in the opinion of their primary support worker the applicant has engaged with the support offered and there have been no further reports of behaviour which would affect a tenancy, an applicant will be offered provisional membership of the scheme. The scheme manager reserves the right to determine whether an applicant has met the above requirements when deciding whether to grant a provisional membership.

Reasons for amber membership

Minor rent arrears would mean those below 8 weeks rent arrears/ former tenant arrears. The team would highlight a rent repayment plan and look at ways of referring for direct benefit payments to landlords.

This would also include tenants with either possession of drugs but would not constitute a possession order and warnings issued by the Housing enforcement team at West Lindsey District Council.

Appendix 4

The Tenant Passport Scheme – Fact Sheet for Applicants

What is the Tenant Passport Scheme? - The scheme is a free to use tenant referencing service managed and delivered by West Lindsey District Council's Home Choices Team.

The aim of the scheme is to improve tenancy sustainment in the social and private rented sector by providing landlords with information regarding a person's tenancy history. This will assist landlords in determining whether to offer the property to an applicant and will enable the Council to identify where support can be offered to the landlord or the potential tenant to help them to obtain and then to maintain a property.

Landlords are often reluctant to let their properties to people who they know little about. They fear their property could be damaged, used for illegal purposes or that the rent may not be paid. This can make it difficult and time consuming to find a good property for a tenant and a good tenant for a landlord.

Different landlords have different levels of experience, resources, and ability in tenancy management. For example; whether or not they are locally based; the number and experience of the staff they employ; the number of properties they manage; the financial resources available to them to maintain the property and manage the tenancy. This means that some landlords will be able to successfully maintain and manage tenancies that other landlords cannot. The scheme will enable landlords to consider this as part of the decisions that they make and provide an opportunity to seek support from the Council and other relevant agencies. Using information from the scheme, landlords are able to confirm whether someone is a suitable tenant and to hopefully offer them a property. As a voluntary scheme, the final decision as to whether to take someone as a tenant remains with the landlord.

What are the benefits of membership? - Membership of the Tenant Passport scheme allows someone to show that they are a good tenant quickly and easily. Landlords want to attract and keep good tenants. The scheme enables a fair and accurate picture of a person's tenancy history to be presented to a landlord which is based on reliable information.

How do I apply? - Joining the Good Tenant Passport is easy and free. Complete an [application](#) form and hand it in or post to the **Home Choices Team at the Guildhall, Marshall's Yard, Gainsborough, DN21 2NA**. Contact us for further information on 01427 676 676, Home.choices@west-lindsey.gov.uk

The scheme will check **your** tenancy history for the past two years using our records, our partner's records and with any current and previous landlords. This may include, but may not be limited to, any complaints of anti-social behaviour, domestic violence, rent arrears, damage to property, abandonment of property, breach of tenancy conditions, court orders, and illegal use of property, and / or criminal behaviour which is deemed to be relevant to tenancy management.

Depending on the results this may result in:

- Full Membership (Green) - Membership granted for 6 months. Applicants must have held a previous tenancy within the last two years. Applicants with no history of rent arrears, anti-social or criminal behaviour related to the tenancy or tenancy management concerns,
- Provisional Membership (Yellow) - Membership granted for 6 months. Applicants with minor rent arrears, anti-social or criminal behaviour related to the tenancy, tenancy management

concerns, or who have not previously held a tenancy,

- Rejected Membership (Red) - Membership rejected for 6 months. Applicants whose behaviour would have entitled a landlord to seek immediate possession of the property at court. i.e., significant rent arrears, serious anti-social / criminal behaviour, major problems involving tenancy management.

What if I have had problems in the past? - If you have had problems with a tenancy in the past, you can still apply to join. The scheme will assess your application and may, depending on the circumstances, decide to grant you provisional membership of the scheme. Applicants who are refused membership of the scheme will be offered an interview to discuss their refusal with their applications investigating officer.

Applicants who have been rejected for rent arrears must repay them in full or maintain a rent repayment plan agreed with their landlord. For assistance in negotiating a rent repayment plan with your landlord please contact the Home Choices Team.

Applicants who have been rejected for anti-social / criminal behaviour and / or problems involving tenancy management have a right to re-apply to join the scheme provided they can show an improvement in their behaviour over a consistent period of at least 6 months (or they accept the support offered by a Floating Support Service or Vulnerable Adults Panel - see below)

Applicants who attend their interview will be offered a referral to P3 Floating Support Team or the Vulnerable Adults Panel. The Floating Support Team or Vulnerable Adults Panel will review the situation to see if there is any available and appropriate support that can be provided to assist in changing/improving the behaviour which led to rejection from the scheme.

Where an applicant accepts support offered, and for a minimum period of 3 months; in the opinion of their primary support worker the applicant has engaged with the support offered, and there have been no further reports of behaviour which would affect a tenancy, an applicant will be offered provisional membership of the scheme. The scheme manager reserves the right to determine whether an applicant has met the above requirements when deciding whether to grant a provisional membership.
