

Device Enrollment Form

If you would like to connect your Smart TV, Gaming device, Apple TV or Roku to the wireless network, please email this request form with the following information to helpdesk@oakwood.edu. Or you may also drop this form off at Blake Center Client Services suite 100

- Type of device _____
- mac address of the device. _____
note: Your mac will look similar to this 28:18:78:77:77:77
- Oakwood username _____

Once this information has been entered into the system, you may then either restart your device and/or run a network test for full connectivity

***At this time we are not supporting wireless printers**

If you have any questions or are having problems connecting your device, please contact us at: 256-726-7464
