Sphere Fluidics Website Privacy Policy

Introduction

We gather and use certain information about individuals in order to provide products and services and to enable certain functions on this website. We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

What data we gather

We may collect the following information using forms on this site – this data is NOT collected automatically i.e. we will only have access to it if you provide it by filling in a form on our site:

- Name and job title.
- Contact information including email address.
- Demographic information, such as postcode, preferences and interests.
- Website usage data.
- Other information relevant to client enquiries.
- Other information pertaining to special offers and surveys.

How we use this data

Collecting this data helps us understand what you are looking from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- For our own internal records.
- To improve the products and services we provide.
- To contact you in response to a specific enquiry.
- To customise the website for you.
- To send you promotional e-mails about products, services, offers and other things we think might be relevant to you.
- To send you promotional mailings or to call you about products, services, offers and other things we think might be relevant to you.
- To contact you via email, telephone or mail for market research reasons.

Controlling information about you

When you fill in a form or provide your details on our website, you will see one or more tick boxes allowing you to:

- Opt-in to receive marketing communications from us by e-mail.
- Opt-in to receive marketing communications from our third-party partners by email, telephone, text message or post.

If you have agreed that we can use your information for marketing purposes, you can change your mind easily, via one of these methods:

- E-mail us at: Sphere Fluidics Limited, The Jonas Webb Building, Babraham Research Campus, Babraham, Cambridge, CB22 3AT, United Kingdom.

We will never lease, distribute or sell your personal information to third parties unless we have your permission or the law requires us to.

Any personal information we hold about you is stored and processed under our data protection policy, in line with the UK Data Protection Act 1998.

Cookies and how we use them

What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

How we use cookies

We may use cookies to:

- **Analyse our web traffic using an analytics package.** Aggregated usage data helps us improve the website structure, design, content and functions.
- **Identify whether you are signed in to our website.** A cookie allows us to check whether you are signed in to the site.
- **Test content on our website.** For example, 50% of our users might see one piece of content, the other 50% may see a different piece of content.
- **Store information about your preferences.** The website can then present you with information that you will find more relevant and interesting.
- **To recognise when you return to our website.** We may show your relevant content or provide functionality you used previously.

Importantly, cookies do not provide us with access to your computer or any information about you, other than that which you choose to share with us.

Controlling cookies

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website will issue cookies when you visit it.

To learn more about cookies and how they are used, visit [All About Cookies](#).

Security

We will always hold your information securely.

To prevent unauthorised disclosure or access to your information, we have implemented strong physical and electronic security safeguards.

We also follow stringent procedures to ensure we work with all personal data in line with the UK Data Protection Act 1998. We are also compliant with the EU [General Data Protection Regulations](#) that come into force in the UK on 25th May 2018.

Links from our site

Our website may contain links to other websites.

Please note that we have no control of websites outside the <http://www.spherefluidics.com/>, spherefluidics.co.uk and Spherefluidics.eu domains. If you provide information to a website to which we link, we are not responsible for its protection and privacy.

Always be wary when submitting data to websites. Read the site's data protection and privacy policies fully.
