This price is firm for purchase within 30 days. All shipments are FOB factory, ground freight ADDITIONAL to the jobsite unless otherwise noted. Freight claims must be filed directly with the shipper. All items will be shipped COD unless credit approval has been granted in advance. Payment terms are net 30 days on approved accounts.

Unless evidence of tax exempt status is provided, Vincent Lighting Systems may charge sales tax for items shipped to destinations in the following states: Arkansas, Kentucky, Indiana, Michigan, Ohio & Pennsylvania. For orders shipped to other states, you are solely responsible to report & pay for all taxes, including use tax if applicable, to the Department of Revenue of your state. You can contact your respective taxing authority for detailed information.

We hope our proposal meets with your approval and we look forward to working with you on this project.

Regards,
