

We have just received a large list of clearance items from **HO Sports/Hyperlite**.

They have provided us with discounted pricing on a variety of waterfront equipment. Discounts range from 25%-65% savings. They have a variety of products available that are from previous seasons and can no longer be sold in stores. Products are brand new, with no imperfections, but must be sold as clearance. Product availability is limited and varies based on style and size.

HO Sports/Hyperlite is a premier manufacturer of waterfront equipment including vests, waterskis, wakeboards, tubes and more. H&H Purchasing has a direct program with them that provides our clients wholesale pricing on both new and past season items.
