

## BRINGING IN THE MAY

The Wheel of the Year has turned to the light half. Beltane, the first of May, marks the beginning of summer, welcomed with song and dance, flowers and May wine flavored with sweet woodruff. Sunlight lingers and the warmth and longer days call for revelry outdoors.

### WHEEL OF THE YEAR

The Celts did not measure the passing of time with a calendar. Their sense of the year was circular, marked at the quarters and cross-quarters by seasonal festivals. This beautifully detailed plaque by Maxine Miller depicts the cycles of nature in plant forms arrayed around spokes denoting the festivals. Resin plaque has eight hangers on the back, so you can turn it as the year turns. 10½" diameter. In Wood-Tone, as shown, or Dark Bronze (see gaelsong.com) **D23020** Wheel of the Year Plaque \$60
