WHEEL OF THE YEAR

The Celts did not measure the passing of time with a calendar. Their sense of the year was circular, marked at the quarters and cross-quarters by seasonal festivals. This beautifully detailed plaque by Maxine Miller depicts the cycles of nature in plant forms arrayed around spokes denoting the festivals. Resin plaque has eight hangers on the back, so you can turn it as the year

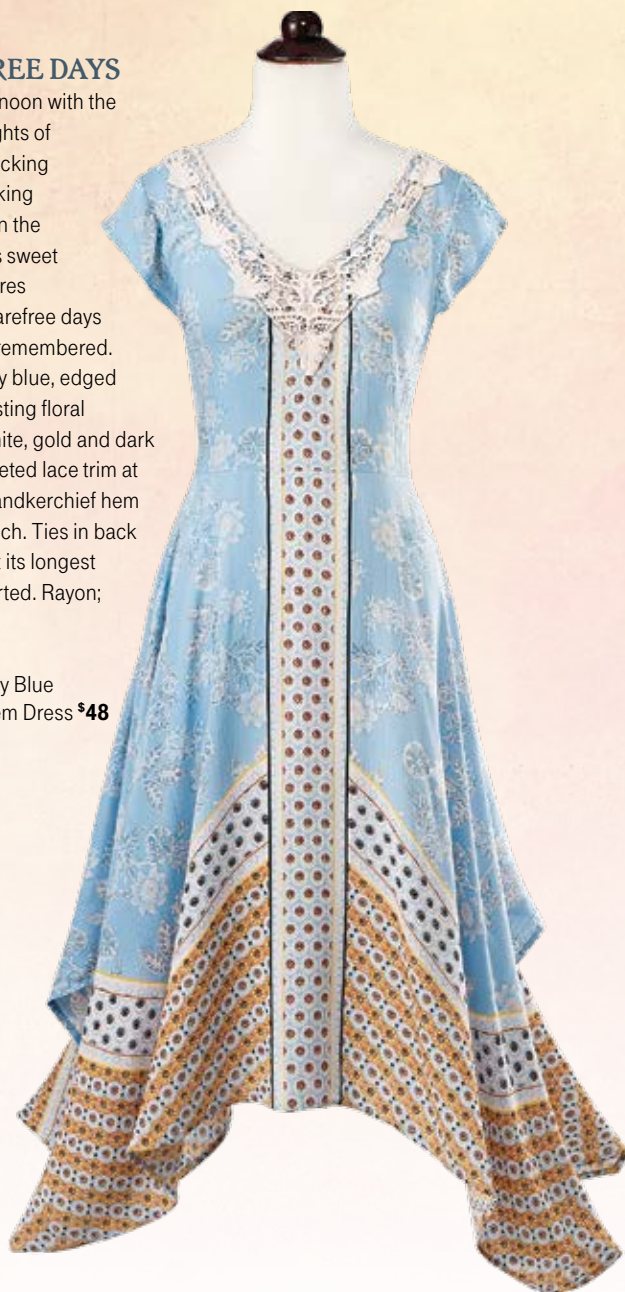

turns. 10½" diameter. In Wood-Tone, as shown, or Dark Bronze (see gaelsong.com).
