### COLM DE RÍS POTTERY

From the artisan studio of potter Colm de Rís comes this extraordinary hand-thrown and hand-built tableware. Luminous glaze in the deep blues, purples, and umbers of twilight, highlighted with touches of scarlet, melds with delightfully unexpected shapes, finely crafted, to transform your table into a work of art. Plates swirl to a central spiral, while the mug sports a handle curved to a spiral at the base. Curved bowl features a distinctive botanically-inspired shape; round bowl has a wide rim. The square dish adds modern geometry to your place setting; it can also be hung as a wall decoration. Fill the pitcher with your favorite beverage, use to hold flowers, or just admire its artistic form. Salt and pepper set adds the finishing touch to your table. Teapot features a dramatically-swooped handle, echoed by the loop atop the lid. Each piece shows off the triskele medallion and is individually thrown and glazed; expect noticeable variation. Oven, microwave and dishwasher safe. Handmade in Dublin, Ireland. Gift wrap and rush delivery are not available.
