

Alive!TM Soil Activator

3-1-1

Specially formulated mixture of beneficial bacteria and fungi helps maximize plant growth. Contains nutrients that aid in microbe proliferation as well as increased plant growth.

Use on houseplants, container plants, vegetable gardens, flower beds, trees and shrubs and fruit trees.

Directions

New Vegetable or Flower Beds

Apply 1 lb. per 300 sq. ft. of Alive!TM to the bed either before planting or while plants are growing.

Incorporate in the soil and moisten to activate the beneficial microbes.

Houseplants and Container Gardens

Mix 1 tsp. in enough soil to fill a 4 to 6 inch pot.

Moisten soil and add plants.

Use 1 to 2 tbsp. for larger container gardens, following the instructions above.

Alive!TM Soil Activator 3•1•1
