

Pot Stickers

For controlling small flying insects in houseplants as well as for outdoor applications.

- Nontoxic formula contains no pesticides
- Special glue won't stick to fingers
- Waterproof, UV-resistant glue
- Comes predrilled with holes and twist ties for hanging from larger plants

Directions for Use:

Simply prop the trap directly in the soil near the stems or hang on a branch by inserting a twist tie in the hole of the butterfly wing and loosely twist-tying it to the branch.
