Earth's AnswerTM Microbial Deodorizer

READY-TO-USE

Earth's Answer Microbial Deodorizer's biologically active formula includes beneficial bacteria, natural surfactants, and a pleasant citrus fragrance to provide one-step cleaning and deodorizing. It immediately neutralizes strong odors such as those from hydrogen sulfide, ammonia, fatty acids, pets, human waste and molds. Earth's Answer Microbial Deodorizer can be used on:

- Kitchen floors, counters and walls
- Bathroom floors
- Pet areas
- Garbage cans and dumpsters
- Diaper pails
- Carpets and furniture
- Automobiles
- Any area where you want to get to the source of the odor!

KEEP OUT OF REACH OF CHILDREN
CAUTION

Instructions and Directions for Use

DIRECTIONS FOR USE

Shake well before use!

For stains that cause odors on surfaces: Spray Earth's Answer Microbial Deodorizer directly on soiled area at full strength. Allow to sit undisturbed for 24 hours. Earth's Answer Microbial Deodorizer will start to work immediately, digesting organic waste and eliminating odors. Spray at full strength on:

- Bathroom toilets, shower curtains
- Pet stains, drink spills on carpets
- Pet beds and kennels
- Trash receptacles

For mopping floors or wiping down walls: Mix 1 part Earth's Answer Microbial Deodorizer with 3 parts tap water in a clean bucket and gently mop/wipe floors and walls.

Storage and handling: Store in a cool dry location. Do not freeze. If exposed to skin or eyes, wash thoroughly with water.
