

Setting Captives Free PARTNERS IN THE GOSPEL

Setting Captives Free is a resource for local churches offering hope and help to those struggling with areas of habitual sin. We offer free, interactive courses for media addiction, sexual purity, depression, weight loss, and help for spouses of those in bondage to impurity.

Setting Captives Free is focused squarely on the gospel of Jesus Christ. Our interactive courses help men and women apply the gospel to experience real freedom from all habitual sin.

Setting Captives Free's goal is the transformation of the heart, through the gospel, which then facilitates lifestyle change. .

Setting Captives Free provides mentors when available, and all courses are set up to facilitate involvement and input by local church pastor, elders and/or others of the student's choice.
