

GREEK III

INDICATIVE VERBS

COURSE DESCRIPTION

This course seeks to equip students with the ability to read and understand the NT in Koine Greek, its original language. It's aimed at students who have completed Greek I, or the equivalent. This course covers non-finite verbs in particular, with an emphasis on reading the text, understanding the fundamentals, and learning the vocabulary—so as to empower students to better know and teach the NT. Above all, this course seeks to magnify Jesus through the NT in its original language.

PREREQUISITES

Successful completion of [Greek II](#), or equivalent (see the Course Objectives [here](#)).

WORKLOAD

This course is composed of ten lessons, with each lesson ending in an assignment. Students are invited to progress at their own pace. Your coach will inquire as to your intended pace shortly after you begin and help keep you accountable to stay on schedule.

ASSESSMENT

Path courses all end with an assessment to determine your grasp of the skills learned and material covered. Successfully passing an assessment requires a high degree of understanding and is meant to serve as a motivation to take your study seriously as well as a catalyst to improve the standard of Bible study in the Biblearc community.

Students who successfully complete the course and pass the assessment will earn **Biblearc's Greek III Certificate**.

If you do not pass an assessment, you may retry after one week's time.

COURSE REQUIREMENTS

Time Estimates: The course requires students to complete two tasks for each lesson:

1. Read the lesson content (about 1.5 hours)
2. Complete the assignment(s) (about 1.5-2.5 hours)

The total amount of hours to finish Greek III, therefore, is 30-40 hours.

Assignments: These allow students to apply the principles they learn.

Assessment: At the end of the course, students will take a one-hour comprehensive assessment.
