

## Tomato Food

Two easy applications provide all the nutrients required for vigorous growth, heavy production, and more delicious, juicy tomatoes.

### DIRECTIONS:

- When setting out plants, scratch in two tablespoons of Tomato Food around the plant and mix thoroughly into the soil.
- When tomato plants begin to set fruit, sprinkle two tablespoons of Tomato Food around the base of the plant and mix thoroughly into the soil.
- One pound of Tomato Food will feed 7 plants for the entire year.
