

# AL300-FULL

## EXTERIOR HITCH MOUNT PLATFORM LIFT

**Hold-down arm**  
(Power wheelchairs only)

**Hold-down foot**  
(Scooters only)

**Retractable strap kit**

### MULTIVIEW BACKUP CAMERA

The backup camera that won't be blocked by lift platforms or mobility devices!

Camera mounts to the edge of the platform

In-vehicle moveable display monitor or rearview mirror

Camera lenses are fixed in two positions to automatically provide a clear view when platform is stowed or deployed with a mobility device

*Warranty is 1-year (non-transferable)*

### A FLEXIBLE LIFT FOR SCOOTERS & POWER WHEELCHAIRS

The simple hitch-based installation requires little to no modification to your vehicle and allows for easy removal. Unmatched flexibility for users who expect to haul a different type of mobility device over time.

Consumers have the choice of a hold-down arm (power wheelchairs), hold-down foot (scooters), or retractable strap kit.
