HIGH CAPACITY TRUCK LIFT

DIRECT FROM DOOR TO TRUCK BED

Higher capacity model for standard and extended cab trucks provides lifting capacity to handle manual wheelchairs, scooters, and power wheelchairs.

FEATURES:

- Delivers mobility device close to driver or passenger side door
- Powered lifting and rotation
- Offset base mounting fits tightly to sidewall and fender walls
- Driver or passenger-side mounting bases available
- Only two motors to control with remote pendant controller
- Dual-strapped hook prevents mobility device from spinning during loading/unloading
- Pendant controller included (*wireless option available*)

PENDANT CONTROLLER

- Easy-to-grip base with soft, non-slip rubber coating
- Backlit buttons for night use
- Built-in LED flash light to assist with visibility while loading
- On-Off button with shut-off timer to prevent unintended activation
- Magnetic backing for convenient stowage — elevated from water in trucks
- Attractive, modern aesthetics
