

BONIM BEYACHAD FELLOWSHIP

We hear the call. We know the need. We are here to help.

Bonim Beyachad is a 10-month cohort-based fellowship at Hebrew College in Newton, MA to support adults who are new to teaching in part-time and supplemental Jewish educational settings. The fellowship provides in-person and virtual professional development in pedagogy, content, and classroom presence for new teachers.

Bonim Beyachad seminars will:

- engage with Jewish content and curricular materials through a pluralistic lens
- offer practical classroom applications
- explore educational theories and pedagogies

TOGETHER with your cohort
with your community
with support from Hebrew College's MaTaRoT faculty and mentors
we will build a vibrant future for the Jewish children in your communities
