

Strawberry Food 8-2-4

Strawberries flourish with a high nitrogen, slow release fertilizer. Gurney's Strawberry Food was developed to provide your strawberries with the best natural ingredients available.

Directions

New Plantings:

- Apply 1 lbs. per 100 square feet of Strawberry Food when runners first appear.
- Follow with a second application in late August of 1 lbs. per 100 square feet.

Existing Plantings:

- Broadcast 1 lbs. per 100 square feet of Gurney's Strawberry Food. Scratch the food into the soil.
- Follow with a second application during late August of 1 lb. per 100 square feet.
- For individual plants, apply two tablespoons per plant.
