 as deicer, 294
 in fertilizer tonic, 114
 Allergies, 5, 150, 164–165
 All-Purpose Perennial Fertilizer, 297, 344
 All-Purpose Pest Prevention Potion, 218, 345
 All-Season Clean-Up Tonic, 218, 345
 All-Season Green-Up Tonic, 85, 345
 Ammonia
 in clipping dissolving tonic, 171, 350
 in compost tonics, 67, 169, 347, 350
 in disease control tonics,

224, 233, 348, 352
 in drought tonic, 264, 348
 in fertilizer tonics, 85, 100, 108, 124, 125, 298, 330, 345, 349, 352, 353, 354
 for pest control, 213
 in pest control tonics, 152, 210, 218, 219, 345, 346, 351, 354
 in planting tonic, 76, 357
 properties of, 121
 in relaxing tonic, 190, 358
 in restorative tonics, 144, 173, 184, 212, 353, 359
 in soil improvement tonic, 53, 359
 in thatch blaster tonic, 92, 359
 in winter walkway tonic, 294, 360
 Animal allies, 183
 Animal pests, 210–217
 Annual bluegrass, 65
 Annual Flower Feeder Tonic, 298, 345
 Annual flowers, herbicide damage to, 298
 Annual ryegrass
 as aggressive, 49
 amount of seed needed, 77
 characteristics of, 5, 24
 climate zone for, 31
 drought resistance of, 138
 profile of, 32
 Anthracnose, 220–221
 Antibacterial soaps, 117, 282
 Anti-Summer-Patch Tonic,

Jerry's, 233, 352
 Ants, 204–205
 Aphids, 192–193, 195, 202
 Apple juice, in tonic, 108, 353
 Armadillos, 210
 Armyworms, 193–194, 195, 202
 Athletics, lawns for. *See* Play areas

B

Baby shampoo
 in clean-up tonics, 219, 276, 348, 357
 in compost booster, 67, 347
 in disease control tonics, 224, 228, 348, 353
 in drought tonics, 262, 264, 347, 348
 in fertilizer tonics, 103, 108, 124, 349, 353, 357
 mixing, for sprayers, 130
 in pest control tonics, 210, 218, 345, 351
 in planting tonic, 76, 357
 properties of, 121
 in relaxing tonics, 143, 190, 358
 in restorative tonics, 144, 173, 184, 353, 359
 in seed starter tonic, 187, 356
 in weed control tonic, 243, 360
Bacillus thuringiensis (Btk), 194, 199, 202

Bacillus thuringiensis var. *israelensis* (Bti), 208, 338

Bacon grease, in bird treats, 279, 351

Badminton courts, 303–304, 305

Bahia grass

- amount of seed needed, 77
- characteristics of, 5, 24, 42, 274, 284–285
- climate zone for, 31
- drought resistance of, 138
- fertilizer for, 44, 107, 293
- growth rate of, 46
- mowing height for, 156
- profile of, 38
- in seed mix recipe, 48, 360
- thatch risk in, 88

Baking powder, in tonics, 324, 330, 352, 356

Baking soda

- in disease control tonics, 222, 225, 349, 353
- for insect stings, 209
- in skunk odor tonic, 217, 356

Bare spots, 101–102, 301–302

Bats, as pest control, 197

Beaches, lawns near, 295–296

Beer

- in aeration tonic, 95, 344
- in clipping dissolving tonic, 171, 350
- in compost booster, 67, 347
- in drought tonic, 262, 347
- in fertilizer tonics, 85, 100, 103, 108, 125, 298, 345, 352, 353, 354, 357
- in pest control tonic, 259, 355
- properties of, 121
- in restorative tonics, 144, 184, 212, 353, 359
- in soil improvement tonic,

53, 359

in thatch blaster tonic, 92, 359

in winter walkway tonic, 294, 360

Beneficial insects

- for aphid control, 193
- attracting, 198
- for cutworm control, 197
- for mole cricket control, 200
- for sod webworm control, 202

Benefits of lawns, 2–3, 22

Bent grass

- as aggressive, 49
- amount of seed needed, 77
- characteristics of, 5, 284–285
- climate zone for, 31
- drought resistance of, 138
- fertilizer for, 44, 107
- growth rate of, 46
- pH range for, 65
- root depth of, 136

Bermuda grass

- as aggressive, 49
- amount of seed needed, 77
- characteristics of, 5, 24, 42, 47, 263, 274, 284–285
- climate zone for, 31
- drought resistance of, 138
- fertilizer for, 44, 107, 293
- growth rate of, 46
- mowing height for, 156
- pH range for, 65
- profile of, 38–39
- root depth of, 136
- in seed mix recipe, 48, 360
- thatch risk in, 88

Bermuda grass decline, 239

Billbugs, 89, 194–195, 202

Bindweed, 240

Birdfeeders, protecting, 216

Birds, as pest control, 195, 197, 202, 204

Birdseed, in bird treats, 279, 351

Bird Treats, Homemade, 279, 351

Black medic, 241

Black walnut trees, 17

Blades, grass, 23

Bleach, for cleaning tools, 229

Bloodmeal, in tonic, 297, 344

Bloom, of grass, 5, 23, 26

Blueberries, 331

Blue grama grass

- characteristics of, 5, 24, 37, 47
- climate zone for, 31
- fertilizer for, 107
- profile of, 39
- sites for, 45

Bluegrasses, 31. *See also specific bluegrasses*

Blue Plate Specials (tonics)

- Aeration Tonic, 95, 344
- All-Purpose Perennial Fertilizer, 297, 344
- All-Purpose Pest Prevention Potion, 218, 345
- All-Season Clean-Up Tonic, 218, 345
- All-Season Green-Up Tonic, 85, 345
