

# INDEX

## A

- Acid/alkaline balance, 8, 19-22
- Acid soil, 20
- Aconite,
  - winter, 265, 266, 268
- Aeration, 22-23, 64
- Ageratum, 280, 281
- Agricultural Extension office, 322
- Alexander, 35
- Alfalfa meal, 338
- Algae products, 18
- Alkaline soil, 20
- All-Purpose Bug Repellent, 212
- All-Purpose Dandelion Cure, 85
- All-Purpose Organic Fertilizer, 18
- All-Purpose Varmint Repellent, 202
- All-Season Clean-up Tonic, 59
- All-Seasons Oil Spray, 71, 200
- Allspice, 293
- Aloe, 99, 103, 135
- Aluminum foil, 71, 72
- Alyssum, 274, 280, 281
  - sweet, 280, 282, 288
- Amaranthus, 280, 281
- Amaryllis, 265
- Ammonia, 17, 81, 84, 110, 111, 202, 218, 222, 284, 312, 313
- Ammonium nitrate, 161
- Anemone, 267
  - blanda, 265
- Angelica, 35
- Animal manures (see also: Dehydrated manure or Manure), 16, 18
- Anise, 49, 117, 124,
- Annuals (flowers), 261, 263, 264, 279-290
  - climate, 282
  - for cutting, 285-287
    - advantages, 286
    - extending life of cut flowers, 287
    - location, 285
    - reviving cut flowers, 287
    - soil, 286
    - storage, 289
    - time of day to cut, 287
  - drying, 288-290
  - feeding, 284
  - half-hardy, 281
  - hardy, 281
  - height, 281
  - Marigold Salve, 279
  - mulching, 282, 284
  - planning, 282-283
  - planting, 283-285
  - seedlings, 282, 284
  - seeds, 283, 284
  - soil conditions, 263, 283
  - successive sowings, 264, 286
  - tender, 282
  - thinning, cutting back, and pinching off, 284-285
  - tonics, 283, 284
  - varieties and specific uses for, 280-281
  - watering, 284
- Antiseptic mouthwash, 59, 110, 212, 276, 287
- Ants, 49, 71, 196, 199
- Aphids, 71, 111, 196, 199, 298
- Apple trees,
  - bearing, 189
  - biennial, 188
  - blight control, 212
  - blossoms, 25
  - dwarf, 177-178, 203-205
  - pruning, 204-205

- feeding and watering, 186-187, 194
  - older trees, 194
  - harvest, 251
  - mulch, 184
  - pollination, 188-189
  - pruning, 182-183, 189-195
    - older trees, 194-195
  - spraying, 199-200
  - storage of apples, 235, 251
  - thinning, 188
  - varieties, 177, 188
  - where to plant, 176
  - whipping, 194
  - Apricots, 251
  - Artemesia, 286
  - Artichokes, 4, 31, 79, 252, 275
  - Ashes, 269, 270, 338
  - Asparagus, 4, 30, 31, 48, 51, 56, 74, 79, 242, 244, 251, 252, 254, 275
    - seed, 41
    - wild, 89
  - Aspirin, 287
  - Asters, hardy, 260, 263, 274, 281, 282
  - Azaleas, 270
- 
- Baby's breath, 260, 263, 286, 288
  - Baking soda, 15, 122, 298
  - Balsam, 280, 281
  - Bark, 14
    - shredded, 12, 108, 270
  - Barnyard Booster Mix, 40, 78
  - Barnyard Tea, 40 (recipe), 78, 276, 284, 313, 335
  - Basil, 48, 84, 103, 115, 124-125, 126, 281
    - sweet, 117
  - Bay, 125
  - Bayberry, 125
  - Beans, 2, 4, 5, 25, 31, 32, 33, 41, 48, 51, 53, 79, 242, 244, 252
    - bush, 25, 34, 48, 51, 53
    - dwarf, 53
    - green, 31
    - lima, 31, 33, 48, 52, 53, 242, 244, 251
    - pole, 25, 34, 39, 47, 51, 53
    - seed, 41
    - snap (yellow string), 33, 52, 242, 244, 251
    - wax, 52
  - Bean sprouts, 35
  - Bed Energizing Mix, 283
  - Bed Prep Mix, 140
  - Bee Balm, 125, 126, 286
  - Beer, 17, 81, 107, 222, 276, 284, 312, 313, 335
  - Bees,
    - benefits to fruit trees, 196
    - honey, 128
    - stings, 89
    - wild, 88-89
  - Beetles, 71, 196
  - Beets, 2, 24, 25, 31, 32, 34, 41, 48, 51, 53, 55, 56, 80, 81, 242, 244, 251, 252
  - Begonias, 263, 265, 267, 281, 282
    - semperflorens, 280
    - tuberous, 262, 265, 267, 268, 272
  - Bells of Ireland, 280, 281, 288
  - Benzine hexachloride, 197
  - Bermuda grass, 310, 317, 324, 325, 326
  - Berries, 137-174
    - bird-attracting, 168-170
    - blackberries, 147-150, 170, 173
      - erect, 148
      - feeding, 150
      - location, 148
      - mulch, 149-150
      - planting, 148-149
      - protecting from birds, 170
      - pruning, 149
      - semi-erect, 148
      - trailing, 148, 149
      - varieties, 148
    - blueberries, 153, 154-156
      - feeding, 155
      - location, 154
      - planting, 154-155
      - protecting from birds, 169
      - pruning, 156
      - soil, 154
      - sunlight, 154
    - boysenberries, 147, 150
    - bramble berries, (see also: individual plants), 147-153, 174, 254

- insect control, 151
- weakness, 149
- bush berries, 153-159
- cherries, 169, 170
- currants (see also; gooseberries), 153, 157-158, 173
  - diluted lime water, 158
  - growing, 157-158
  - pruning, 158
  - soap and water treatment, 158
- dewberries, 147, 150
- disease control, 151, 158
- elderberries, 153, 158-159
  - jam, 158
  - jellies, 158
  - location, 158
  - soil, 158
  - pruning, 159
  - wine, 158
- fall checklist, 173
- gooseberries (see also; currants), 153, 157-158, 173
- harvest, 251
- huckleberries, 153, 157
- insect control, 151
- jellies, 157-158
- Juneberries (see also; service-berries or shadbush plums), 153, 159, 170
- loganberries, 147, 150
- mulch, 149-150
- pruning (see also; individual plants), 149, 152-153, 156, 163-165
- raspberries, 147, 150-153, 173
  - amber, 150
  - bad neighbors, 150
  - black, 150, 151
  - Everbearing, 150, 153
  - growth, 151-152
  - harvesting, 153
  - location, 150
  - planting, 150-151
  - protection from birds, 170
  - pruning, 152-153
  - purple, 151
  - red, 150, 151
  - staking, 152
  - Summerbearing, 150, 153
  - white, 150
- serviceberries (see also; Juneberries or shadbush plums), 153, 159, 170
- shadbush plums, 153, 159, 170
- small fruit growing calendar, 171-174
- strawberries, 138-147, 168-169, 172
  - as ground cover, 4
  - Bed Prep Mix, 140
  - climate, 139

 starting seed, 328, 329  
 when to seed, 327, 334  
 site, 322  
 soap-and-water treatment,  
 301, 304  
 sod, 329-332  
 temperatures, 322  
 tonics, 312, 313, 328, 335, 338  
 topsoil, 319-320  
 top ten tips, 331-332  
 varieties, 309, 310, 326  
 washing, 301, 304  
 watering, 314-317, 334, 336  
 homemade watering meter,  
 317  
 techniques, 317  
 time of day, 315-316  
 weeds, getting rid of, 303-306  
 worms, 330  
 zoning map, 324  
 Leaf hoppers, 71  
 Leaf mold, 12, 13, 14, 65, 206,  
 210, 319  
 Leather, 61  
 Leaves, 15, 65, 195, 266, 270  
 Leeks, 31, 41, 48, 51, 53, 242,  
 247  
 Lemon balm, 123, 124, 128, 135  
 Lemon thyme, 135  
 Lemon verbena, 123  
 Lentil, 35  
 Lettuce, 2, 4, 5, 31, 32-33, 34, 39,  
 41, 48, 53, 56, 79, 243, 247  
 head, 32  
 leaf, 32  
 romaine, 32  
 shade tolerance, 5  
 Lilies, 265, 266, 268-269  
 aster, 265  
 calla, 265  
 climbing, 265  
 day, 277  
 spider, 265, 267  
 Lima beans, 31, 33, 48, 52, 53  
 Lime, 8, 19, 21, 105, 267, 318,  
 330  
 Limestone, 20, 21, 105, 215  
 Lindane, 71  
 Liquid dish soap, 59, 111, 127,  
 211, 212, 296, 328, 335, 341,

342, 343, 344, 345, 346  
Liver problems, 85  
Lobelia, 135, 274, 280, 281  
Lovage, 35, 115, 118, 130  
Lupines, 260, 274  
Lythrum, 274

M

Magnesium, 19  
Malathion, 71  
Manganese, 186  
Manure, 15, 16, 18, 40, 61, 65,  
78, 81, 140, 147, 155, 161,  
167, 210, 319  
Maple syrup, 255-256  
boiling, 256  
gathering sap, 255-256  
sugaring process, 256  
Maple trees, 25  
leaves, 81  
Marigolds, 49, 50, 261, 263, 279,  
280, 281, 286, 288
