Market Disputes Resolution Division:

Chief: *Alex Starr (202-418-7284; Alex.Starr@fcc.gov)*

Description: Resolves formal complaints by market participants, entities, or organizations against common carriers for alleged violations of the Communications Act. Also resolves Section 224 complaints filed by cable operators, telecommunications carriers, utilities, and other entities relating to the reasonableness of rates, terms, and conditions for pole attachments.

Investigations and Hearings Division:

Chief: *Hillary DeNigro (202-418-7334; Hillary.DeNigro@fcc.gov)*

Description: Resolves complaints against broadcasters and other Title III licensees on non-technical matters such as indecency, auction collusion, enhanced underwriting, unauthorized transfers of control, and misrepresentation. Investigates non-consumer protection-related allegations of violations of the Communications Act by common carriers. Serves as trial staff in formal Commission hearings.

Spectrum Enforcement Division:

Chief: *Kathy Berthot (202-418-7454; Kathy.Berthot@fcc.gov)*

Description: Resolves complaints involving public safety and technical issues, including equipment marketing, unauthorized operation, and operation at variance from the terms of a Commission authorization. Enforces rules governing certain public safety issues, such as wireless hearing aid compatibility, network outage reporting, and wireless and VoIP E911.

Telecommunications Consumers Division:

Acting Chief: *Kurt Schroeder (202-418-0966; Kurt.Schroeder@fcc.gov)*

Description: Protects consumers from fraudulent, misleading, and other harmful practices involving telecommunications. Investigates companies engaged in various telecommunications-related activities, including common carriers, manufacturers of telecommunications equipment, telemarketers, and other companies utilizing telecommunications equipment for unsolicited advertisements. Resolves formal complaints brought by consumers, including those involving the accessibility of telecommunications services and equipment to persons with disabilities.
