

3 Must See Sessions on Privacy Enforcement, Litigation and Insurance Coverage

April 27, 2012

It's not too late to view content from [Kelley Drye's Privacy Law Symposium](#), which was hosted in Los Angeles on Monday. The program included presentations on privacy enforcement, consumer class action litigation, and insurance recovery in the data privacy context, including:

- Avoiding an FTC Privacy Investigation and What To Do When You Find Yourself the Target of One
- Top Issues in Class Action Lawsuits Arising Out of Privacy, Data Security, and New Media Technology
- Insurance Coverage for Data Privacy Liability - Do You Already Have It, and If Not, Can You Buy It?
