As we prepare to usher in the Obama Administration and the 111th Congress this January, the political landscape of Capitol Hill will undergo a marked transformation and new legislative priorities will be adopted. To learn how these changes will impact your business practices, please join Kelley Drye's Government Relations & Public Policy Practice as the group presents "A Congressional Forum: The Legislative Agenda of the 111th Congress."

Kelley Drye holds this seminar annually as an opportunity for our clients and friends to hear first-hand from representatives and leading policymakers from Capitol Hill.

Topics of discussion will include the economy and financial services, tax, international trade, healthcare, global climate change, labor, telecommunications, privacy, infrastructure, and energy.

To register for the event, please email dcevents@kelleydrye.com. There is no fee to attend the event and breakfast and lunch will be served.
