EVENT SPOTLIGHT

Advertising & Privacy Law Summit

September 12, 2019", "Austin, TX

Please join us in Austin, Texas, for a half-day workshop covering the latest advertising and privacy law developments. This interactive event will provide updates on crucial consumer protection issues, deliver practical guidance and benchmarking, and offer an opportunity to connect with peers across a variety of industries.

This workshop will be open to the public, and we welcome your guests, but registration is required. If you would like to register, please RSVP above or contact: workshop@kelleydrye.com.
