

Al Jazeera America Interviews Partner Alysa Zeltzer Hutnik on China's Cyber Espionage

May 19, 2014

Partner [Alysa Hutnik](#) was interviewed on Al Jazeera America on May 19, 2014 to discuss the federal grand jury indictment of Chinese military officers for cyber spying and stealing trade secrets. Alysa explains the significance of these charges, as it is "the first time the US government has formally accused members of another country of cyber theft." She said this communicates a strong message to the world that the American government is defending its domestic businesses. It also reminds U.S. companies to do all they can to protect their data and encourages consumers to be careful about what is online.
