About

Andrew Wood focuses his practice on patent litigation, including federal district court litigations and inter partes review (IPR) proceedings before the U.S. Patent Trial and Appeal Board. He has handled patent disputes involving a wide range of technologies, including medical devices, microphone technology, signal processing, semiconductor devices, printing technology, manufacturing processes, GPS, and pharmaceuticals. He also has experience litigating trademark and trade secret matters in multiple industries.

Andrew has degrees in Chemistry and Biology. He previously served as a patent extern to the Honorable Amy St. Eve of the U.S. District Court for the Northern District of Illinois.
