

Annual Activities To Be Completed By NYSE- and NASDAQ-Listed Companies

March 3, 2008

Every year, Kelley Drye's [Corporate & Securities](#) Practice Group prepares client advisories that provide an updated list of annual activities for public companies, their Boards of Directors, or their Audit, Compensation and Nominating/Governance Committees, especially in connection with the Annual Meeting of Stockholders. We prepare two advisories—one for NYSE-listed companies, the other for NASDAQ-listed companies.
