November 1, 2015

Partner [Jon Cooperman](#) authored, "Appeals to the Appellate Division," chapter 56 in *Commercial Litigation in New York State Courts, Fourth Edition*. The chapter addresses the statutes and rules that apply to all civil appeals in the Appellate Division. Jon uses commercial cases as examples to demonstrate the applicability of these statutes and rules. Procedural checklists summarizing the steps that commercial litigators must take to pursue an appeal in the Appeal Division are included.
