

# Arkansas AG Files Suit, Labels Temu a Data-Theft Business

Paul L. Singer, Abigail Stempson, Beth Bolen Chun

July 11, 2024

In a bold move, Arkansas Attorney General Tim Griffin has filed a lawsuit against Temu's parent companies, labeling the popular online platform as a "data-theft business" rather than a mere e-commerce marketplace. Griffin's lawsuit accuses Temu, known for its extensive app downloads and millions of shipments, of egregious privacy violations.
