About Benchmark Litigation

Benchmark Litigation is the definitive guide to the world's leading litigation firms and lawyers. They provide law firm and lawyer rankings based on extensive interviews with litigators, dispute resolution specialists and their clients as well as analysis of the market's most important cases and firm developments. They identify firms and attorneys who have displayed the ability to consistently handle complex, high-stakes cases in multiple jurisdictions, and who are consistently recommended within their business and legal communities for the quality of their litigation professionals and trial work.
