

Bisnow Features Kelley Drye Government Contracts Practice

January 13, 2015

Partner [David Hickey](#) was featured in the *Bisnow* article "Five Government Contracts Trends For 2015." The article profiles each of the professionals, who recently joined Kelley Drye from Barnes & Thornburg, and their views on government contracting in 2015. There are five major trends outlined in the article: sequestration and funding levels, acquisition reform, second- and third-order effects from budget issues, uncertainty in the Middle East, and personnel shifts.
