

BN A Daily Report for Executives Quotes Partner W. Michael Ryan on Cloud Computing

September 1, 2010

The *BN A Daily Report for Executives* article, "'Cloud' Customers Facing Contracts with Huge Liability Risks, Attorney Says," quoted partner W. Michael Ryan. The article reviewed what is at stake with cloud computing contracts.

Mr. Ryan said that cloud providers want to avoid offering extensive insurance against possible problems. He pointed out how most standard cloud agreements have "limitations of liability" sections in the event of data security breaches.
