Speaking Engagement

April 23, 2025 from 1:00 pm to 3:10 pm (EDT)

Partner [Glenn T. Graham](#) and Senior Associate [Jennifer Rodden Wainwright](#) will be presenting "Breaking Down the TCPA: What It Is and Why It's Important to Stay Compliant" in a live video broadcast for MyLawCLE.

This session will provide an outline of the Telephone Consumer Protection Act (TCPA), the federal consumer privacy statute that regulates calling, texting, and faxing. TCPA is a significant source of consumer class action litigation and failure to comply with the statute can expose a business to significant financial liability. The discussion will be divided into two parts. During the first hour, the presenters will give an outline of the TCPA and associated regulations and share important compliance considerations. In the second hour, they will review examples of noteworthy TCPA cases, including cases that have ended with high-dollar penalties or settlements being paid by defendants.
