Special Counsel [Céline Guillou](#) will present "Catching up with California — A Conversation About Privacy Developments in the State" for IAPP. This live webinar will cover privacy-related legislative developments in California from 2025 and what is on the table in 2026. The panelists explain in detail the changes introduced by these new laws, while highlighting the most important takes from the enforcement actions and settlements. Additionally, they will put the spotlight on other activities that might be relevant moving forward in California as it continues to lead the nation in the regulation and enforcement of privacy.
