

Children Online: The New Rules of the Road

Speaking Engagement

November 18, 2025 from 1:00 pm to 2:00 pm (EST)

Partner [Laura Riposo VanDruff](#) will present the webinar "Children Online: The New Rules of the Road" with the Association of National Advertisers. The webinar will cover the new wave of children's privacy legislation and enforcement and what it means in practice. Topics will include:

- How states are expanding protections for teens and minors beyond COPPA
- The rise of "age-appropriate design" and platform accountability models
- How operating systems, app stores, and platforms are adapting, and what that means for your compliance strategy
- Practical steps companies can take now to prepare for 2026 and beyond
