

Class Action Lawsuits: Understanding the Current Landscape to Reduce Your Risk

CRN and Information Exhibitions Webinar

Speaking Engagement

June 9, 2015 from 2:00 pm to 4:00 pm (EDT)

On June 9, 2015, partner [Geoffrey W. Castello](#) will participate in the “Class Action Lawsuits: Understanding the Current Landscape to Reduce Your Risk” webinar, presented by CRN and Information Exhibitions. Mr. Castello will join other top attorneys to discuss class action lawsuits against dietary supplement companies and the best practices to help reduce the risk of litigation. Mr. Castello will focus on litigation trends and regulations involving the Telephone Consumer Protection Act.
