

Class Action Lawsuits: Understanding the Current Landscape to Reduce Your Risk

CRN and Information Exhibitions Webinar

Speaking Engagement

June 9, 2015 from 2:00 pm to 4:00 pm (EDT)

Washington, DC

Webinar

Partner [John E. Villafranco](#) will participate in the “Class Action Lawsuits: Understanding the Current Landscape to Reduce Your Risk” event for Natural Products Insider. Mr. Villafranco will join other top attorneys to discuss class action lawsuits in the current climate, best practices to help reduce the risk of litigation, and what you need to know if your company becomes a defendant in a class action.
