

# Consumer Privacy Litigation Update

Kelley Drye Webinar

Firm Event

April 28, 2022 from 4:00 pm to 5:00 pm (EDT)

Washington, DC

The increasing number of states enacting privacy laws means more privacy litigation. This webinar will highlight emerging trends across the docket of privacy litigation cases, provide an update on key cases involving consumer claims, and provide practical tips, including:

- Understanding potential litigation risk
- Reducing your litigation exposure
- Discussing exposure for data breaches and other alleged misuses of consumer data
- Providing an understanding of the scope of private rights of action
- Looking ahead to new laws
